

## Full Colour Logo Design

Nothing speaks to the professionalism of your business more than the right logo. At Ingenious Design we have vast experience creating logos for our clients. All our logo designs come with a 100% satisfaction guarantee, so you know you will be safe trusting us with your logo design.

What is included in our full colour logo design package?

Three (3) concepts

Unlimited revisions to your chosen concept

Final files will be supplied as:

EPS - High quality CMYK Vector EPS print ready file

BMP - Document ready RGB for use in all your Microsoft Office applications

JPG - Web ready RGB for use on the web and in popular programs including Microsoft Word

PNG - Web ready RGB file with a transparent background for use on the web and in popular programs including Microsoft Word.

Delivery Time

Delivery time of initial concepts is 10 working days. Delivery of final files is generally within 5-10 working days following initial concept.

Our Guarantee

If you are not 100% happy, we are not 100% happy. That's why we offer a 100% satisfaction guarantee. This guarantee is our promise to you - you will be 100% satisfied with the final design of your chosen concept or we will keep revising it until you are.
